# WE ARE 20!

## CELEBRATING 20 YEARS OF EXCELLENCE IN EDUCATION

The UCLA-NUS Executive MBA is an extraordinary journey of personal and professional growth and a unique opportunity to unlock your true leadership potential.

You will be surrounded by a diverse community of like-minded individuals who share your aspirations and ambition. Together, you will learn from distinguished faculty members as well as from one another's experiences, diverse backgrounds, and unique perspectives via experiential learning opportunities, case studies, simulations, and consulting projects.

Join us and embark on a remarkable chapter in your life!

**Professor Emir Hrnjic**  
Academic Director,  
NUS Business School

Home to a world-class learning community, the UCLA-NUS Executive MBA is a transformational experience. Challenging yet highly beneficial, this rigorous graduate management program will help you sharpen your skills, broaden your network, and learn a new way of thinking.

We know you will appreciate the diverse professionals with impressive business experience, strong academic credentials, and interesting life perspectives. You will form a lasting bond with classmates and learn as much from them as from our faculty.

If you are ready to uncover all the possibilities it holds, we look forward to welcoming you.

**Professor Gonzalo Freixes**  
Faculty Director and Associate Dean,  
UCLA EMBA Program

# GAIN AN EDGE ON BUSINESS LEADERSHIP

WITH A WORLD-LEADING EMBA PROGRAM

Earn two prestigious MBA degrees in just 15 months from the world's top, globally-recognized universities: **University of California, Los Angeles (UCLA)** and **National University of Singapore (NUS)**.

**Get the best of both worlds** when you're part of a globally-recognized dual degree program

Unique global program with **immersive learning opportunities** in four exciting locations: USA, Singapore, China and India

**Form strong, lifelong relationships** with an intimate yet diverse cohort for rich peer-to-peer exchange of experiences and insights

**Connect with a global cohort** of high-achievers across the alumni networks of both universities

**Career-friendly format** designed for busy global executives, comprising in-country segments and flexible learning formats

**Experience real-time transformation** as you apply new skills, techniques, frameworks and perspectives from the classroom to your workplace, and make a greater impact

## Connect with a vast network of talent

The connections you create in the EMBA program continue beyond the program and unlock a broader lifelong network.

As a graduate of the UCLA-NUS EMBA, you also gain access to our extensive and powerful alumni networks of UCLA Anderson and NUS Business School.

## A truly diverse EMBA program

Over the last 5 years, UCLA-NUS EMBA increased the proportion of female candidates from 30% to 45%. We now have one of the highest representation of women participants among EMBA programs globally.

# HEAR FROM OUR ALUMNI

“

No better way to expand your global business experience, build meaningful relationships, and challenge yourself intellectually. Get ready to embark on a journey that you will cherish for the rest of your life.

**Fernando Fialho**  
American

Director Of Manufacturing Operations  
Amgen

“

A truly life-changing experience. The combination of content, faculty, and an incredibly diverse cohort, combined with international business exposure, has fundamentally changed my perspective on the global economy and my part in it.

**Warren Wellbeloved**  
South African

General Manager Rail  
BHP

“

The capstone project was a valuable experience, as I got the chance to work with a listed company to formulate strategic recommendations on how to optimize their operations. UCLA-NUS EMBA provided a good combination of real-life and academic knowledge.

**Ryan Tan**  
Singaporean

Chief Operating Officer  
1Bstories

“

The UCLA-NUS EMBA experience deepened my understanding of different social and business cultures, and I was challenged to push the boundaries of my own thinking. The rigorous curriculum also accelerated my personal and professional growth.

**Payal Lohia**  
American

Director, Digital Engagement Director  
EPAM Systems

## EXPERIENCE REAL-TIME TRANSFORMATION MAKE REAL-TIME IMPACT

### Get ready for an intensely challenging, yet rewarding learning experience.

The UCLA-NUS EMBA curriculum gets you ahead of the latest developments in business, innovation, and strategy, in a format that enables you to apply the knowledge and skills acquired in real-time to your workplace to drive a bigger impact.

### A highly immersive learning experience in four dynamic locations.

During the in-country segments, we take you beyond the classroom with company visits, dialogue sessions, and networking opportunities with distinguished guests. Real-time learning happens as you are immersed in fast-changing business environments, and you get to instantly apply the knowledge and perspectives to your work.

# THE IDEAL CANDIDATE

## THE ELIGIBLE CANDIDATE

[View detailed admission requirements and processes](#)

### Educational Requirements

A bachelor's or equivalent degree from at least a 4-year (full-time) program in a regionally accredited institution. Three-year bachelor degrees from Singapore or the UK are also acceptable.

### Professional Requirements

A minimum of eight years full-time work experience after receiving a bachelor's degree and in a current position with high-level managerial responsibility.

### English Language Requirements

You are eligible for an exemption if you have a completed conferred degree from an institution based in the United States, Australia, Canada (provinces other than Quebec), New Zealand, Great Britain/United Kingdom (England, Wales, Northern Ireland, or Scotland) or Singapore (NUS, SMU or NTU). Candidates with awarded degrees from all other countries must take the TOEFL or IELTS.

### Program Fees

USD\$144,500 (approximate)
